

PASAM YEDUKONDALU

CAREER OBJECTIVE

I am looking for an opportunity where I can fully use my skills and strive to continually develop my skills and abilities for the success of the organization.

PROFESSIONAL EXPERIENCE

TECH INTERN HUB (Freelancing)

Role: Front-end developer **(SEP 2023 - JULY 2024)**

Proficient in building dynamic and responsive web applications, ensuring optimal user experiences. Strong problem-solving skills and adept at collaborating with clients to deliver customized solutions on time.

SANVIMA SOLUTIONS

Role: Front-end developer **(NOV 2023 - JAN2024)**

Experienced JavaScript Developer with over 1 years of expertise in developing responsive and dynamic web applications using React.js. Proficient in building reusable components, optimizing performance, and ensuring seamless integration with backend services. Adept at collaborating with cross-functional teams to deliver high-quality user experiences.

PATHBREAKER TECHNOLOGIES

Role: Software Engineer **(SEP 2022 - OCT2023)**

Experienced UI/UX Designer and Developer here, good at using HTML, CSS, and JavaScript to create cool and responsive designs. I also know how to make basic layouts and interactive models using tools like Sketch and Figma. I work well with others and can talk and share ideas easily. I always try to make designs that people really like and find easy to use.

EDUCATION
